

Letter of Agency for generation installation

To whom it may concern

RE: (First line of your customers address) - electricity connection

I, (Your customers name) of (Your customers address), confirm that I am the legal and registered owner or occupier of the land situated at (Your customers address), as highlighted red on the plan attached.

I confirm that I have appointed (You and your company name & address) and, DNO Renewables Ltd, as my agent(s). They have continuing authority to act on my behalf in respect of a new additional load of the electricity connection on my land for the purpose of connecting a solar installation project to the local electricity distribution network.

Signed
